# 细胞器标志物

H: Human | Hm: Hamster | Mk: Monkey | M: Mouse | R: Rat | Dg: Dog | G: Goat

| 货号      | 产品名称  | 反应种属                 | 应用                               |
|---------|---|----------------------|----------------------------------|
| 380680  | A1F Rabbit pAb                              | H, M, R              | WB, IHC-P, ICC/IF, IP, FC        |
| R23419  | ALDH2 Rabbit mAb                            | H, M                 | WB, IHC-P, IP                    |
| 200147  | COX IV (4D11) Mouse mAb                     | H, M, R, Hm, G, Mk   | WB, IHC-F, IHC-P, ICC/IF, IP, FC |
| R382407 | CP51 Rabbit mAb                             | H, M, R              | WB, IHC-P, ICC/IF, IP            |
| R24043  | Cytochrome C Oxidase subunit Vic Rabbit mAb | H, M, R              | WB, IHC-P                        |
| 201060  | Hsp60 (6C8) Mouse mAb                       | H, M, R              | WB, ICC/IF, IP                   |
| R24631  | Hsp60 Rabbit mAb                            | M, R                 | WB, IHC-F, IHC-P, ICC/IF, IP     |
| R26001  | Mitochondrial Fission 1 Protein Rabbit mAb  | H                    | WB, IHC-F, IHC-P, ICC/IF         |
| 381526  | Mitofilin Rabbit pAb                        | H                    | WB, IHC-P, ICC/IF, FC            |
| R27201  | Prohibitin Rabbit mAb                       | H, R                 | WB, IHC-F, IHC-P, ICC/IF, IP     |
| R22781  | STAR Rabbit mAb                             | H, M                 | WB                               |
| R25952  | TOMM20 Rabbit mAb                           | H, Hm                | WB, IHC-F, IHC-P, ICC/IF         |
| 380506  | VDAC1 Rabbit pAb                            | H, M, R              | WB, IHC-P                        |
| R26445  | ATF6 Rabbit mAb                             | H                    | WB, IHC-P, IP                    |
| 340144  | Calnexin Rabbit pAb                         | H, M, R              | WB, IHC-F, IHC-P, ICC/IF, ELISA  |
| R23696  | Calretinin Rabbit mAb                       | R                    | WB, ICC/IF                       |
| 381917  | Calretinin Rabbit pAb                       | H, M, R              | WB, IHC-P, ICC/IF, FC            |
| R381739 | Cytochrome P450 2E1 Rabbit mAb              | H, M, R              | WB                               |
| R381802 | ERp57 Rabbit mAb                            | H                    | WB, IHC-P, IP                    |
| R24248  | ERp72 Rabbit mAb                            | H                    | WB, IHC-P                        |
| R24509  | GRP78 BiP Rabbit mAb                        | H, R                 | WB, IHC-P                        |
| 340494  | GRP78 BiP Rabbit pAb                        | H, M, R              | WB, IHC-F, IHC-P, ICC/IF, ELISA  |
| R24541  | Heme Oxygenase 1 Rabbit mAb                 | H, M, R              | WB, IHC-F, IHC-P, ICC/IF, IP     |
| 380753  | Heme Oxygenase 1 Rabbit pAb                 | H, M                 | WB, IHC-P, IP, FC                |
| R25241  | P4HB Rabbit mAb                             | H, M, R              | WB, IHC-F, IHC-P, ICC/IF         |
| R380777 | GM130 Rabbit mAb                            | H, M, R, Mk, Cow, Dg | WB, IHC-P, ICC/IF, IP            |
| R389404 | gamma Adaptin Rabbit mAb                    | H, M, R              | WB, IHC-P                        |
| R381940 | GOLGA1 Rabbit mAb                           | H                    | WB, IP                           |
| R381134 | GOLPH2 Rabbit mAb                           | H, M, R              | WB, IHC-P, ICC/IF, FC            |
| R383026 | GOLPH4 Rabbit mAb                           | H                    | WB, IHC-P                        |
| R26076  | USO1 Rabbit mAb                             | M                    | WB, IP                           |
| R23371  | ACOX1 Rabbit mAb                            | H, M, R              | WB, ICC/IF, IP                   |
| R23733  | Catalase Rabbit mAb                         | H, M, R              | WB, ICC/IF                       |
| R23735  | Catalase Rabbit mAb                         | H                    | WB, IHC-F, IHC-P, ICC/IF         |
| 380831  | MMP9 Rabbit pAb                             | H, R                 | WB, IHC-P, ICC/IF, FC            |
| 502095  | MMP9 Rabbit pAb                             | H, M, R              | WB, IHC-P, ICC/IF                |
| R25336  | PEX1B Rabbit mAb                            | H, M                 | WB                               |
| R382382 | PMP70 Rabbit mAb                            | H, M, R              | WB, ICC/IF, FC                   |
| R25622  | RPS6 Rabbit mAb                             | H, M, R              | WB, IHC-F, IHC-P, ICC/IF, IP     |
| R389320 | RPL7A Rabbit mAb                            | H, M, R              | WB, IHC-P                        |
| 825257  | RPL23A Rabbit pAb                           | H, M, R              | WB, IHC-P                        |
| 822284  | eIF6 Rabbit pAb                             | H, M, R              | WB, IHC-P                        |
